Subject:- Amendment of the Octroi Byelaws - Deletion of the provision of exemption in respect of card boards wrapper paper and paper for printing and writing manufactured in Mysore

I write to state that the existing provision regarding levy of octroi on card board etc in the byelaws is as follows -

59 Card board wrapper paper and paper for printing and writing other than those manufactured in Mysore State

Rs 2/- advalorem

Perhaps the exemption in respect of the articles manufactured in Mysore State was originally provided with a view to encouraging paper industry which was in its infancy at the time. But the position has since changed and the demand for paper manufactured in Mysore seems to have reached sizeable proportions.

The Municipal Council stands to lose a considerable amount on account of the existence of this exemption. The Municipal Council examined the question at the time of consideration of the Budget Estimates of the Municipality and resolved to delete the proviso provided to item 59 of the octroi schedule in the circumstances.

The proposed amendment was duly notified in the official Gazette on 7-5-1953 and also in local papers. As no objections were received the Council finally approved the proposed amendment at their meeting held on 30-7-1953.

I enclose a copy of the above resolution of the Council together with the Gazette notifications and request that orders of Government may kindly be obtained very early in the interest of Municipal revenue.

L. G. S. S.

As a good number of articles in this category is expected to be received during the on going Dargah Exhibition and there is a prospect of a good income to the Municipal Council if orders are received early the favour of a very early compliance is requested

Yours faithfully
